

Then she got one of my friends,
she got him dripping on wood,
I know it hurt so bad, but it feels so good.
Quit sweet talking me now, baby, I don't give a fu*k.
You should have thought about me.
before you fu*ked him at the club.

I know you 'bop-whop-a-lu bop'
on his wood bamboo.
When you were still seeing me,
and well he didn't even knew hmmm...
But God damn it come and count to three,
now sit down GGY I'm on fire

C#mi
Come and lie to me.
H
Lie to me oh baby come a little closer.
C#mi
Lie to me...
H
Lie to me oh baby lean upon my shoulder.
C#mi
Lie to me...
Get down on my body,
H **C#mi**
and love me like it was always meant to be,
H **C#mi**
now you love somebody new, I always knew.

So come and give it to me...

You know I like it,
when you lie, lie, lie.
You look so good,
when you lie, lie, lie.
Set my camel in the mood...
When you lie, lie, lie.
When you lie, lie, lie.

C#mi
Come and lie to me.
H
Lie to me oh baby come a little closer.
C#mi
Lie to me...
H
Lie to me oh baby lean upon my shoulder.
C#mi
Lie to me...
Get down on my body,

H and love me like it was always meant to be, **C#mi**
H now you love somebody new, I always knew. **C#mi**

So come and give it to me...
